They gave the command "Throw up your hand," which was obeyed TION OF INDIAN ATTAILS. communication from General W. T herman, addressed to the chairman of the They then went through the pockets of the oint commission having under consideration employes and took what they wanted from the question of transferring the Indian bureau to the war department, was to-day laid before

pecially with the Sioux, recently located on the

CONDITION OF THE TREASURY.

The following is a comparison of the con-

dition of the treasury December I, 1877, and

Milwaukee, December 2: John Cheekly, the commission. The general, after stating lately extradited to Canada on the charge of forgery, and who escaped from the officers by jumping from the train near Toronto, re-turned here late Friday night. Last night summons of the commission, says: "I am sure, from official and personal intercourse, that Secretary Sherman and Commissioner of he was discovered by the police near the out-skirts of the city. The latter attempted his arrest, fring two shots at him, but, owing to Indian Affairs Hoyt have been extremely anxious to have, and have labored hard for the darkness, he escaped. North Platte, December 1: Stearns, o Patterson & Stearns, came in from Niobora river to-day. The Indians ran off thirty-tures of their horses on the twenty-eighth. properly to prevent the recent removal of Red-Cloud and Spotted-Tail's band of In-A second raid was made on Major The Indians got all he had left. Wednesda result next in war, and that their removal resulted principally from the President's promise, based upon the advice of General Crook; and I further believe that Mr. Schurz and Mr. Hoyt have done all that men

the Indians made a raid on Bratt's rancho on Birdwood. The cowboys gave them right and the Indians only got four norses. St. Louis, December 2: A Jefferson City dispatch says the case of F. P. Baker editor of the Topeka [Kan.] Commonwealth could do from their quarter to remove weak thousand dollars libel, arising out of a pub honeat agents. I wish you, and if proper icution in the Times charging that Bake the public, to construe the present conflict or f Mr. Enome, editor of the Topeka Blade tion of honesty, but a natural and necessary in March of last year, was submitted to a conflict of antagonistic systems." After comand a verdict for one dollar damages was Indian wars, the general requires no prophet to move for a new trial foresee that more wars were near at hand, es-

rendered for Baker. The defendant will the property of the army. "To me it is a matter of demonstration that at the present time, and far years to come, that the indian bureau of itself, without the help of the army, cannot maiatain in peace the larger tribes of Indians, and peace is essential to enable white emigrants to fill up the surplus country as farmers, grazers and miners. "The general continues at length, giving rersons why the badians ahould be larger tribes of the war dead."

The general continues at length, good result, although the confident of a good result.
